The Deputy Commissioner,

[illegible] District

Sir

In returning herewith the file of records received with your letter No [illegible] relating to the proposal of the Vadigenahalli Minor Municipal Council to levy toll in the municipality, I am directed ~~thxxxxxx~~ to state that Government consider that permission to levy tolls should be given very sparingly in the case of these Minor Municipalities and that where the levy is unavoidable in view of special commitments that may have been made with the sanction of Government, it may be sanctioned for a limited period, say 5 years Further, the income under this head would also be considerably reduced in view of the exemptions in favour of motor vehicles under the Road Traffic and Taxes Regulation. In the circumstances, I am to request you to examine the case in the light of the considerations set forth above and forward your final proposals in the matter, together with a resolution of the Municipal Council and information as to the income anticipated under the head and the cost of collection etc ,

I have the honour to be,

Sir,

Secretary to Government,
